4-H Insect Identification Contest

Nebraska State Fair, 2012

Participant Answer Sheet

Name _____ County_____

Address_____, _____, NE

Age on Jan. 1, 2011_____ Division (circle one): Age 10-13 yrs → INTERMEDIATE, Age 14-18 yrs → SENIOR

Use the **Key Sheet** provided. For each specimen, fill in the capital letter for the Order Name and the number for the Specimen Name. Each correct answer is worth 1 point. For each multiple-choice Insect Knowledge Question, circle the lower-case letter preceding your answer. Each correct answer is worth 2 points. Below is an example of a correct answer for Stag Beetle *(which is not on this year's study list)*:

Specimen	**Order Name** (Insert Letter from Key.)	**Specimen Name** (Insert Number from Key.)	**Insect Knowledge Question** (Circle letter preceding your answer.)
1.	B	90	What kind of metamorphosis? a. Complete b. Incomplete c. Slow
