Double L Farm

Double L Farm, located in Perkins County Nebraska, is owned by Lance, Linda and Ruth Ann Heitman.

Double L Farm is a small, non-certified organic farm in SW Nebraska (Perkins County). We have organically raised heritage hogs (Tamworth) for both meat sales and breeding stock sales, organic heirloom vegetables and seeds, free range chickens and a small herd of registered Alpine Dairy Goats from which we provide milk, fudge and other baked goods in addition to breeding stock for sale. We believe in working in coordination with nature to provide organically raised, healthy animals, natural living conditions and the highest quality possible for ourselves and our customers. We do not use any antibiotics, growth hormones or genetically modified grains on our farm. All purchased feeds are 100% Certified Organic.

In addition, Linda owns and operates a Linda's Heirloom Handquilting Service and does website design. See her website at www.lindashandquilting.com.

They believe local food/products are important because:
Local foods are very important in providing the highest quality products to the local population. This enables the local population to experience the freshest possible products with varieties chosen for flavor and to thrive in the local climate, rather than shipping quality or long shelf life! It also keeps the monies local, which is so very important, especially in rural areas.

Double L Farm became a member Buy Fresh Buy Local Nebraska in 2011:
We have had several inquiries and many people directed to our website from our Buy Fresh Buy Local listing. The more we can get our name out there, the more people will be able to locate us! The Buy Fresh Buy Local is a great program that we are happy to be a part of!

We are now accepting reservations for our Spring 2013 litter of Tamworths both for breeding stock and whole or half hogs. In addition, if you are looking for high quality, high productivity Alpine Dairy Goat breeding stock, give us a call!

Double L Farm is now up for sale by Lance, Linda, and Ruth Ann Heitman. The family has chosen to sell their farm in order to move near the church Lance pastors in Grant, Nebraska. For more information on this sale: Double L Farm Sale PDF.
