CHOOSE THE DATE(S) AND LOCATION(S) BEST FOR YOUR SCHEDULE

2013 Fall Training

Offered by University of Nebraska-Lincoln Extension.

Presented in partnership with NOWWA and with the cooperation of the NDEQ.

A portion of the cost of developing the training curriculum has been supported by EPA Section 319 Grant Funding, administered by the Nebraska Department of Environmental Quality.

Title 124 Regulations

Learn about the new Title 124 regulations and how they will impact your business. Earn 6.0 CEUs if paid in full and attend the entire session (may be taken once during the 2012-2013 certification period). **Topics will include:**

- New definitions
- Mound endorsement
- Setback distances
- Absorption systems certification
- Determine design flow
- Alternative technologies
- Percolation testing

Mound Systems Training

Learn about the new Mound System endorsement that is included in the new regulations. Earn 6.0 CEUs if paid in full and you attend the entire session (may be taken once during the 2012-2013 certification period). **Topics will include:**

- How mound systems work
- Sizing mound systems
- Mound materials
- Components of mound systems
- Pump and controls
- Dosing system

Daily Schedule for All Training

8:00 Sign in
8:30 Training begins
4:00 Training adjourns

Lunch and break refreshments are provided at the training site and are included in the registration fee.

How to Register

Complete the enclosed registration form indicating the training(s) and location(s) of your choice. Mail it with your check payable to the "University of Nebraska."

NOWWA member fee - $135.00 per training day*

(Nebraska Onsite Waste Water Association; http://www.nowwa.org)

Non-NOWWA member - $155.00 per training day

*NOWWA is responsible for production and distribution of the required training manual. They are underwriting a portion of the training fee for members (which includes the manual). **If you are interested in joining NOWWA, please call Diane Snapp at 402-476-0162., or visit their website at http://www.nowwa.org.**

CONSUMER EDUCATION MATERIAL

Toliet paper rolls with septic O&M tips will be available on a "first come, first served" basis at the training site.
Cost is $2.50 per roll.

Trainers

Wayne Woldt is currently an Associate Professor in UNL Department of Biological Systems Engineering, and has expertise in environmental and water resources engineering. He is a Registered Professional Engineer in Nebraska, with over 15 years of experience in onsite wastewater system research and design, including development and delivery of relevant training programs to Nebraska industry.

Doug Clark served as Chief of the Environmental Health Division of the Douglas County Health Department for 18 years and is licensed as a Registered Environmental Health Specialist in Nebraska. During his years of service, Doug has been responsible for onsite wastewater programs and has been active in delivery of training to the onsite industry in Nebraska.

Don't wait, register today!

UNL reserves the right to cancel training if there are insufficient registrations.

CANCELLATION & REGISTRATION FEE RETURN POLICY

Cancellations received 6 or more business days (Monday - Friday) before training - FULL REFUND

Cancellations received 2 to 5 business days before training - refund minus a $45 per person per day service fee.

Cancellations 1 business day before training and "no shows" - NO REFUND.
