2010 Nebraska State Fair

Department F – Tree Identification Contest

Division 500

Superintendents – Dennis Adams

General Rules:

- Participant Eligibility:
  - Participant must be 10 years old on January 1, 2010.
  - Contestants must be 4-H members at the time of the contest.
  - Contestant eligibility will be verified by county extension staff.
  - Past high point individuals (i.e., Gold Medal Winners) may compete for individual and/or team honors.
- Participants are required to pay a non-refundable fee of $5/person.
- Participants will be notified of the location of the contest prior to State Fair.
- General rules from the 4-H section of the Nebraska State Fair apply.

Age Divisions:

F500046 Intermediate: 4-H'ers must be 10-13 by January 1, 2010
F500045 Senior: 4-H'ers must be 14-18 by January 1, 2010

Contest Guidelines:

- Participants may enter as an individual and as members of a team. A team consists of 3 to 4 individuals with the total scores of the three high individuals making the team score. Membership of the team must be designated if team competition is intended.
- A team will compete at the level of the oldest team member, e.g., if a member of a team is in the senior division, the team will compete in the senior division, even if some members of the team are in the intermediate division.
- Individuals compete according to their age.
- Contestants will be required to identify the plant specimens by accepted common name, but knowledge of scientific names is encouraged.
  - Contestants will identify 40 tree samples described in the Tree Identification Manual (4-H 332)
  - Specimens will consist of a minimum of leaves and stem, but may also include flowers, seed, or roots structures.
  - Ties will be broken with supplemental “tie breaker” questions.
- Contestants will be allowed to touch samples during the contest.
- Contestants must bring their own pencil or pen.
