St. Paul United Church of Christ Farmers' Market

The St. Paul United Church of Christ Farmers' Market is a friendly mid-week 'neighborhood-type' market

located 'right in the heart' of the Lincoln community. It opened May 15th and will run through October 9th, every Tuesday from 4:30-7:30pm.
The market is located in the parking lot at 13th & F streets, within walking distance of the State Capitol and many neighborhoods nearby—we are easy to find! Parking is available either on the street, in the lot at 12 & F, or in the lot directly north of the market.

The St. Paul UCC Farmers' Market features approximately ten vendors on a weekly basis, offering fresh, local produce, many handcrafted items—including jewelry—jams, jellies, candies, and more!
Make sure to stop by the booth "Body and Soul Food" hosted by St. Paul UCC for a quick bite to eat—with hard to beat "meal deal" prices on our hot-off-the-grill burgers which have become a Tuesday night favorite for many a hungry mouth! You can enjoy your food while listening to free live, local musicians! We also feature free children activities each week for ages 3 to 12. We are a consumer-friendly market that is pet friendly (just make sure they are on a leash or carefully contained) and accepts SNAP/EBT and all major credit cards (stop by the information booth to swipe your card and pick up your tokens).

The St. Paul UCC Farmers' Market thinks local food/products are important because:
Having local food and products readily available for the Lincoln community helps our environment. Food that travels fewer miles is better for everyone, creating less pollution. And having fresher foods means those foods will stay fresher in your fridge too!

The market is in its fourth season and has been a member of Buy Fresh Buy Local Nebraska for all four years.
We chose to become a member of Buy Fresh Buy Local Nebraska (BFBLN) because we felt it was important to support an organization that strives to promote the purchase and enjoyment of locally grown foods, and thus to support local food systems. We also joined BFBLN for the potential increased awareness of the St. Paul UCC Farmers' Market.
BFBLN has also helped us organize to better serve the community through our St. Paul UCC Farmers' Market, and it has helped us connect with potential and present vendors at our market. We appreciate the support of BFBLN—St. Paul UCC Farmers' Market is proud to be a member of BFBL-Nebraska!!

The St. Paul UCC Farmers' Market was proud to be the recipient of the Presidents Award for Community Service from the Near South Neighborhood Association, in October 2011. Being recognized and honored for the positive impact that the St. Paul UCC Farmers' Market has had in the neighborhood, and within the community of Lincoln. The St. Paul Farmers' Market appreciates the support of both the Near South Neighborhood Association (NSNA), and the Everett Neighborhood Association.

In addition, our market is fortunate to work closely with the F Street Community Center, thus helping to educate future generations of gardeners and entrepreneurs, as the F Street Community Center/ Lincoln Parks and Recreation has had a booth at the St. Paul UCC Farmers' Market all four seasons. Youth help grow, then cultivate and package to sell produce at our Farmers' Market. St. Paul UCC Farmers' Market helps bring people together in the community to work together. We are very appreciative of the many volunteers that help make the St. Paul UCC Farmers' Market what it is! Without the many talented musicians who share their music with us, it wouldn't be the same. We are also thankful for the community volunteers that help make the children's activities possible. To all of you who have helped or will help in the future…we say THANK YOU!!
