Wohlner's Midweek Market

The Wohlner's Midweek Market is a new market this year that rans Wednesdays from 4:00-7:00pm from June 6th to August 8th, located in Omaha, Nebraska. *We are a local food only market in an open air parking garage near Wohlner's in Midtown Crossing. We have a small core group of seasonal vendors with several extra vendors on certain weeks through the summer.*

We feature some of the best growers in the area and a wide selection of products from eggs to meat to flowers and of course the freshest produce you can get. We have 15 seasonal vendors and will have several others throughout the season.

They think local food/products are important:
Local food supports our community in a variety of ways from economic to socially to environmentally. We keep our food dollars circulating here, we support our neighbors and their businesses, and we lower the amount of fossil fuels being used to sell food. Local food offers the freshest food with the highest nutrition levels as well as the opportunity to get to know the people who grow your food.

Wholner's Midweek Market chose to become a member of Buy Fresh Buy Local Nebraska because:
Buy Fresh Buy Local is a key partner in letting people know about local producers and where to buy their products. Buy Fresh Buy Local has helped us promote our market!
