Judge's Initials _____

4-H Entomology Judging Sheet
Class IV, Special Interest Display, 2013

Exhibitor's Name_____ County _____

How Collections Are Judged:

Judging is based on rules and guidelines presented in the ***4-H Entomology Manual*** (PDF file online) and the ***Nebraska State Fair Fairbook***. Because Class IV exhibits encourage diversions into special topics or projects in entomology, each display is largely evaluated on its own merits independently of other displays. Each display is first judged by one judge, who assigns a TENTATIVE ribbon value. When all displays have been completed, the judges together review each display to affirm or change the FINAL ribbon awarded.

I. Title:

II. Description:

Specialty Collection	Journal
Poster	Scrap Book
Report - Factual	Art/Craft
Report – Personal Activity	Photo Display
Report - Experiment	Other:
