Full time Licensed/Certified Technician position!

We are an AAHA certified small animal practice that offers routine health care, dentistry, soft tissue surgery, orthopedic surgery and cat boarding. Our patients are a near equal mix of cats and dogs with a few rabbits, guinea pigs and hamsters. Our three doctors (2 FTE) and 10 support staff work closely to accomplish our mission statement: to provide the highest quality medicine available while developing strong client relations and operating a profitable business in the highest ethical and Biblical standards.

We are looking for a team player to who will be committed long term to this business and who will bring professionalism and outstanding customer service skills with them. This job requires multi-tasking and can be very stressful if you do not enjoy such challenges. Client service is of utmost importance and each of our employees can “make or break” the experience a client has. If you are not able to make a minimum two year commitment (though we expect to keep our employees much longer than this!), we encourage you not to apply. We invest in our employees with a long term relationship in mind and want to hire person of a similar mindset.

This job would be 30-32 hrs per week, including Saturday mornings. Current after hours patient care responsibilities include one weeknight per week and approximately one weekend per month. Pay is hourly and competitive depending on experience. Full time benefits would apply (PTO, uniforms, employee discounts, medical insurance premium reimbursement plan, email account, Simple IRA, etc.)

If you are interested in this job and feel like you would be a good match, please submit your resume complete with references attached. We will contact you for an interview accordingly.

We are located in beautiful Northern Idaho. Moscow is the home to University of Idaho and a short 7 miles from Washington State University in Pullman WA. There are numerous outdoor activities and recreational parks to enjoy nearby.

Please contact Dr. Miller at k.miller@pawsvet.com , Fax resume with cover letter to (208) 882-0267 or call (208)883-9663

Thank you for your interest. We love what we do here and are very excited to find a good match for our team to join us in our efforts!
